

## AISTW Nest/Crawl Summary

## Nest Success Summary

As directed by the FWC, AISTW marks nests with nest name only and shares only nest name, date, and volunteers on the website. All nests are Loggerhead species unless noted otherwise.

**Live in Nest:** Hatchlings found alive in a nest upon excavation.  
**Dead in Nest:** Hatchlings found dead in a nest upon excavation.  
**Live Pipped:** Egg is broken open with a live hatchling still inside at time of excavation.  
**Dead Pipped:** Egg broken open with a dead hatchling still inside at time of excavation.  
**Unhatched:** Egg that is not open at time of excavation.  
**Live Emerged:** Number of live hatchlings that emerged from nest on their own.
